

The Eastern Corridor

Red Bank Corridor Project

Please use this form to share your thoughts and comments about the Duck Creek Connector project, a component of the Eastern Corridor Program’s Red Bank Corridor Improvement Plan. Your participation in the public involvement process is appreciated.

1. How often do you travel along the Red Bank Corridor?

- Daily
- Several times a week
- Several times a month
- Once every few months
- Rarely
- Never

2. For which of the following reasons do you most often travel in the Red Bank Corridor area? (You may check more than one):

- I live in the area
- I am a patron of the businesses/shops/restaurants located in the area
- I go to school in the area/my children go to school in the area
- I work in the area
- I primarily travel through the area to reach destinations outside the Red Bank Corridor area
- Other (please explain your answer):

3. As you review plans for the Red Bank Corridor improvements, how important are the following priorities to you?

	Very Important	Important	Somewhat important	Not important	Not sure
Ease congestion					
Improve safety					
Increase pedestrian and bike mobility opportunities					
Provide infrastructure to support economic development					
Provide better access/connections to where I want to go					

4. Please use the space below to share any comments or suggestions you may have regarding the Duck Creek Connector project.

5. If you would like to receive project updates, please provide your email address in the space below.

Comments regarding the Duck Creek Connector project may be submitted through **Tuesday, August 4, 2015**.
Please leave your completed form with a project representative at tonight's meeting, or you may mail/email your completed form to:
