Eastern Corridor News

Interstate 275/State Route 32 Interchange Reconstruction To Start Next Year

Exciting news for the Eastern Corridor Program - The I-275/SR 32 interchange reconstruction project, delayed this past January to 2019, has been moved up to 2013! The advanced schedule is thanks to funds made available through in-house efficiencies at the Ohio Department of Transportation (ODOT) and an unexpected bump in federal funds. The \$44.7 million project will address SR 32 access problems and provide safer and more efficient travel for motorists. The work will take a little more than two years to complete.
