EASTERN CORRIDOR PROGRAM UPDATE

PUBLIC OPEN HOUSE MATERIALS ARE NOW AVAILABLE ONLINE
*Materials presented about upcoming SR 32 Improvements between
Eastgate Blvd. and Olive Branch-Stonelick Rd. are now on EasternCorridor.org*

Last week, two options (Alternative 2 and Alternative 4) for the SR 32 Improvements between Eastgate Blvd. and Olive Branch-Stonelick Rd. were presented for public review and comment at an Open House.

Maps of both alternatives, as well as copies of the materials shared at last week's meeting, including a comment form, are now posted on the Eastern Corridor website at: <http://easterncorridor.org/projects/sr-32-eastgate/sr-32-eastgate-involvement/>.

The screenshot shows the 'Public Involvement' page on the Eastern Corridor website. The page features a navigation menu at the top with links for Home, Overview, Background, Projects, Documents, Public Involvement, News, and Contact. The main content area includes a header with the Eastern Corridor logo and a sub-header 'Public Involvement'. Below this, there is a paragraph explaining the role of public involvement in the project. A section titled 'SR 32 Improvements, Eastgate Area (Segment IVa) Open House - July 17, 2014' provides details about a recent public open house, including a list of materials shared and a deadline for comments. The page also includes a contact information section with an email address and a website URL.
